This CIT Academy is a forty-hour course of instruction that is completed in a one-week session.

*The objectives of the CIT Academy are to:*

- *Increase officers' awareness of behavioral health issues and empathy of individuals experiencing behavioral health disorders.*
- *Instruct officers in effective techniques utilized when encountering individuals experiencing behavioral health issues and provide safer interventions.*
  - *Broaden officers' knowledge of resources and understanding of legal issues.*
- *Assist officers with understanding how to provide the most appropriate resolutions.*

**Peace Officers who successfully complete this training  
and pass all required testing will be recognized  
by the State of Utah as a CIT Officer.**

*Due to some physical aspects of this academy, peace officers on light duty will not be allowed to attend.*

Hosted by:
