This CIT Academy is a forty-hour course of instruction that is completed in a one-week session.

The objectives of the CIT Academy are to:

- *Increase officers' awareness of behavioral health issues and empathy of individuals experiencing behavioral health disorders.*
- *Instruct officers in effective techniques utilized when encountering individuals experiencing behavioral health issues and provide safer interventions.*
 - *Broaden officers' knowledge of resources and understanding of legal issues.*
- *Assist officers with understanding how to provide the most appropriate resolutions.*

**Peace Officers who successfully complete this training
and pass all required testing will be recognized
by the State of Utah as a CIT Officer.**

*Non peace officers that successfully complete this training will receive a certificate of completion.
Due to some physical aspects of this academy, peace officers on light duty will not be allowed to attend.*

Hosted by:

The St. George Police Department
& Southwest Behavioral Health Center

Tuition for this Academy:

\$75 for Peace Officers of agencies in Washington, Iron, Beaver, Kane, and Garfield Counties.

\$150 for Peace Officers of agencies outside of those counties.
